## **GOVERNMENT ACCOUNTABILITY ACT COUNCIL RECEIVES PUBLIC TESTIMONY REGARDING DCF**

**Tallahassee, FL** – Chair of the House Government Accountability Act Council Representative Faye Culp (R-Tampa) and members of the Council received testimony this afternoon from the public regarding the Department of Children and Family Services (DCF). The public was encouraged to attend and offer information to members of the Government Accountability Act Council to aid the Council in understanding and addressing public concerns regarding DCF.

Representative Culp released the following statement:

"I join my fellow Council members in thanking the public for sharing their real world experiences regarding their interactions with DCF. There is no substitute for hearing real concerns from real people and in that respect, today's meeting was a success. We heard frank and candid testimony which reveals that there is work to be done at DCF."
